

Imagine Academy of Academic Success

The Imagine Academy of Academic Success District/School building is in Title I School Improvement. We are a single attendance center; therefore; we cannot offer the school choice option.

Under the Federal No Child Left Behind Act of 2001 (NCLB), this option of after-school tutoring by an approved provider is available to parents of eligible children that attend a Title I school in School Improvement Level 2, and every year thereafter the building is in School Improvement status.
